

6 Days to Better Nutrition

When switching from another brand to NUTRO® dry pet food, we strongly suggest that you mix the old and new foods together for a short period of time.

How to Switch Your Pet to NUTRO® Food!

For 2 Days

For 2 Days

For 2 Days

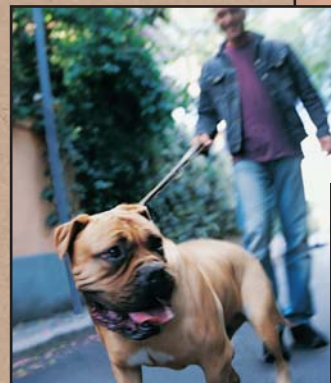

Forever

Why do we recommend you follow this guide? Your pet's digestive system is sensitive to dietary change, and this blending period allows your pet's digestive system to adjust to highly digestible and healthy NUTRO® food. This will lessen the chances of your pet experiencing dietary upsets that can sometimes accompany change in diet.

Notice the Difference with NUTRO® Food!

- Made from high quality chicken or lamb proteins for a naturally great taste
- Guaranteed healthy skin and coat
- The optimal balance of protein, fat, and carbohydrates for energy
